HARK! A FEAST!

ALL ARE WELCOME AND INVITED!

When renowned botanist Dr. Rosa Marquez receives a strange sample from the secluded and mysterious Hemlock Isle, her instincts tell her that something is amiss. Following the recommendation of an old colleague, Dr. Marquez invites our investigators to accompany her on a survey of the island...

THE FEAST OF HEMLOCK VALE

Campaign Expansion is expected to release in

February 2024...

…and it'll take me a while after that to make the guide.
